

RESIDENTIAL PARKING INFORMATION

Eff: 7/2001

Residential parking districts give residents priority in obtaining on-street parking. Non-residents may legally park up to two hours during enforcement hours. The residential parking system is particularly effective in areas where there are sufficient on-street spaces for residents. When there are more cars registered to residents than there are curb spaces, nothing can assure a parking space.

Submit application form, supporting documentation and appropriate fees to 308 Chinquapin Round Road. Make checks payable to City of Annapolis. All documents may be submitted by mail. Documentation may be faxed to 410-269-5989.
